- Do not use supplements or take precautions prior to doing so. Supplement products cannot be verified by the CCES or in the Global DRO. A lack of industry and government regulation makes it impossible to confirm their ingredients. Read more at: www.cces.ca/supplements.
- Review the steps of the doping control sample collection procedures: <https://www.cces.ca/sample-collection-procedures>;
- For additional resources and general information, please contact the CCES:
